

Outdoor Displays.  
Built for the Elements.  
Priced for Every Project.

sealoc®

Commercial-in-confidence [www.sealoc.com](http://www.sealoc.com)

## Our Brand

Through our proprietary weatherloc technology, sealoc produces the highest quality and longest lasting outdoor digital displays, crafted smart televisions, and AV accessories in the world. The sealoc standard of excellence is rooted in one simple core value: exceptional customer experience. sealoc is a solution centric digital engagement provider that transforms how people and technology connect to elevate brand loyalty, fuel value and drive enablement for brands to scale, through impactful customer experience. As the industry leader in end-to-end outdoor digital solutions – our partnerships are valued as much as our products.

## Our Offerings

Digital displays are changing the image of spaces while enhancing productivity and collaboration. At quick-service restaurants, digital signage and menu boards are gaining adoption. Commercial digital signage displays simplify operations, reduce labor costs, provide informational messaging, advertising, entertainment, sealoc solutions will transform the experiences.

## Our Partnerships

The best collaborations create something bigger than the sum of what everyone can create on their own. sealoc is a solution centric digital engagement provider that transforms how people and technology connect to elevate brand loyalty, fuel value and drive enablement for brands to scale, through impactful customer experience. As the industry leader in end-to-end outdoor digital solutions – our partnerships are valued as much as our products. Our customers and their customers expect the best and take pride in delivering on that commitment. Our experienced team strategizes, designs, deploys, manages, and supports solutions that are simple-to-use, scalable, serviceable, and measurable to ensure objectives are met and success is achieved.

## What Our Partners Say About Us

*"We're all keenly aware of the importance of partnerships and as Legrand AV has worked tirelessly to expand our signage industry partnerships, we've been most impressed by the sealoc team. It's not often that you find a truly mutual relationship where the give-and-take is matched.*

*The opportunity Legrand AV and sealoc bring to the market is providing complete hardware solutions that are vetted to meet and exceed your quality and experience expectations."*

Michelle Montazeri, Digital Signage Manager, Legrand AV

## Our Success Overview

Our customers and their customers expect the best and take pride in delivering on that commitment.

Our experienced team strategizes, designs, deploys, manages, and supports solutions that are simple-to-use, scalable, serviceable, and measurable to ensure objectives are met and success is achieved.

LA Dodgers

**Opportunity:** Stadium renovations and expansions to modernize and improve customer experience and upgrade the 56,000-seat historic ballpark.

**Solution:** Digital displays were placed throughout the Centerfield Pavilion, providing fan engagement and entertainment in a completely outdoor area – allowing for year-round, all-weather enjoyment.

New York Red Bull of Major League Soccer

**Opportunity:** The 25,000-seat state of the art facility wanted to enhance guest experience in premium seating areas with displays to watch sports events. Also, needed a mobile display for training sessions on the field to coach team in real time.

**Solution:** Greatly enhanced guest experience and branding by providing outdoor digital engagements, strategically positioned to maximize event viewing.

University of Alabama

**Opportunity:** University of Alabama needed a solution for patient care to support physical therapy inside the natatorium, combating corrosive chlorine gases and high humidity environment.

**Solution:** sealoc proloc + weatherloc services = Roll Tide

## Why Our Customers Love Us

*"We've been honored to work with the LA Dodgers and supply them with many of their TVs and displays. sealoc's proloc outdoor displays are ideal for a commercial environment like a stadium, where the sun can be bright, and the weather can be relentless."*

**Phil Shuyler, Owner Weatherproof Televisions / LA Dodgers TV Supplier**

## Vanguard Series

All-weather  
Outdoor Displays built  
with LCD technology  
providing bright visual
